builds into the ration what nature left out...

for fast low-cost gains

- CONCENTRATED MOLASSES PELLETS —whet appetites, make the ration more palatable. Cattle eat more.
- MOLASSES, PROTEINS, TRACE MINERALS—stimulate rumen bacteria action, converting roughage into beef-building nutrients.
- BALANCED RATION—provides necessary nutritional balance to offset farm feed deficiencies.
- AVAILABLE IN 11%, 22%, or 30% PROTEIN—in easy-to-feed range or bunk size pellets, with or without Stilbestrol.

'60 Fleetside—high-styled way to keep costs low!

Figure on extra thousands of miles in this Chevy pickup

(NEW TORSION-SPRING RIDE AND BULLDOZER BUILD ASSURE LONGER LIFE!)

Chevrolet's independent front suspension soaks up road shocks that would beat the daylights out of a truck with the conventional I-beam front axle. Torsion springs absorb more of the stress and strain ordinarily transmitted to the body and sheet metal. The frame's built to resist more twist; the cab's more rigid and cushioned with rubber mounts. The whole truck stays new longer, and its working life is increased by extra thousands of miles.

This Chevy gets more work done in a day's time, too. You're able to travel at faster safe speeds and get in more trips. Judge for yourself during a trial run. Imagine an old-fashioned I-beam truck holding steady over a rutted, chopped-up road. The way a Chevrolet gentles you, you'll even feel fresher at the end of the day.

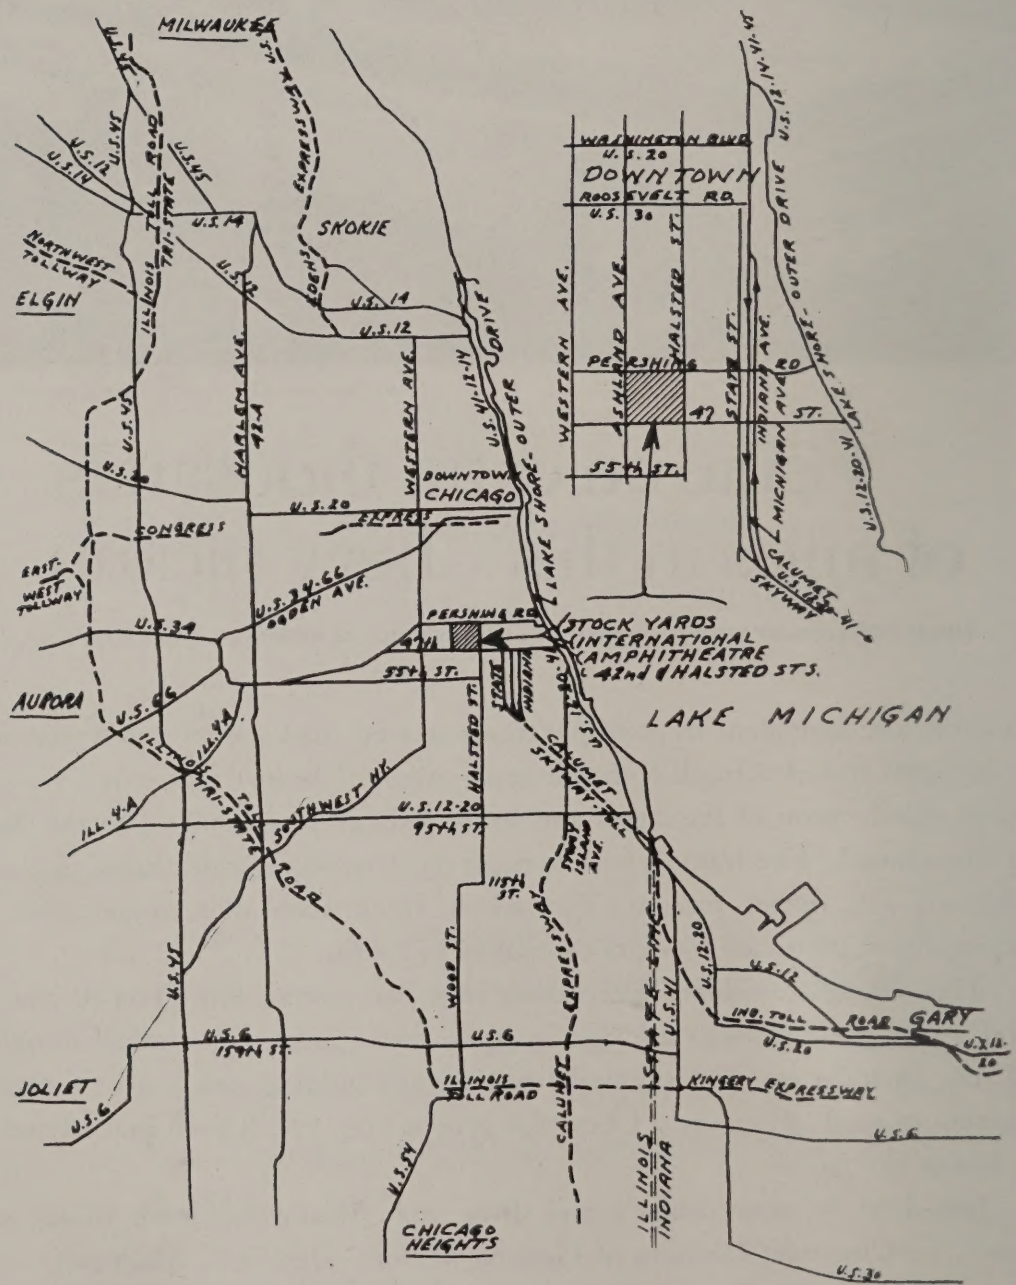

Just drop by your dealer's and drive one. We won't have to say any more. . . . Chevrolet Division of General Motors, Detroit 2, Michigan.

A Complete Line of Sprays...
Your Standard Man Will Deliver!

Whenever you need sprays—for livestock, buildings or crops—think of Standard Oil. STANDARD Sprays have been used by farmers, with outstanding results, for over 30 years!

Use with oil for cable-type back-rubbers — many other uses.

Ideal for controlling flies in barns, hog pens, chicken houses.

Safe for dairy and beef cattle. Contains Tabutrex.

Many other sprays for crop insects—weed and brush killers, too. Just call your nearby Standard Oil Man. He'll deliver, right to your doorstep, at no extra cost!

How automatic electric ventilation *increases* profits

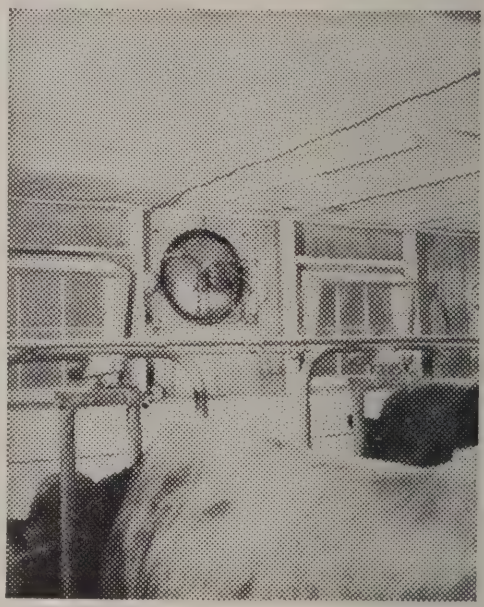

1—Increases milk, meat, egg production.
Replaces stagnant, stale air with clean, fresh air. Keeps livestock more comfortable.

2—Lengthens life of buildings and equipment.
Eliminates destructive moisture, wet walls, rust, and rot.

3—Safeguards herd and flock health.
Helps keep litter dry. Helps remove damp, dangerous conditions in which bacteria thrive.

4—Improves working conditions all year.
Removes excess humidity, unpleasant odors.

A profitable investment any time of the year.
Automatic electric ventilation is easily installed summer or winter in your dairy barn, hog and poultry houses. Consult your dealer for full information today.

Why every modern homemaker loves a kitchen with RCA WHIRLPOOL appliances!

So automatic!...Almost like having a maid!

A new world of "extra time and freedom" awaits you with RCA WHIRLPOOL home appliances.

The No-Frost refrigerator-freezer with IceMagic® automatically replaces ice cubes as you use them. It quick chills, too, with exclusive Jet-Cold* Shelf. The Balanced-Heat oven bakes, broils, even barbecues automatically. And, surface cooking is watched over by thermostatic controls that eliminate burning, scorching, or sticking.

RCA WHIRLPOOL food waste disposer automatically eliminates garbage mess. Then the dishwasher, with Filter-Stream* washing action, washes dishes sparkling clean without pre-scraping.

There are also "self-setting" washers and dryers . . . fast-freezing chest and upright freezers . . . and air conditioners at your RCA WHIRLPOOL dealer. See him soon . . . there are built-in or free-standing models to suit your budget.

GENERAL INFORMATION

NOTE: Reception of Animals: The building will be ready for the reception of animals (with the exception of dairy cattle) Monday, November 23. (Building will be ready for dairy cattle Monday, November 30.)

Feeds and Forage: In order to conserve our exhibition space and to prevent congestion in the aisles, the following regulation will be strictly enforced:

Exhibitors will not be permitted to bring standard feeds to the Exposition, as they can secure these from the Superintendent of Forage at prevailing prices.

Should the exhibitor desire to bring in specially prepared feeds, they must be carefully bagged and labeled and turned over to the Superintendent of Forage for storage. He will deliver them to the exhibitor's location as required, for which a charge of $1.00 per cwt. for storage and service will be made against the exhibitor.

Any standard feeds in excess of his "in transit" requirements which the exhibitor may have in his car must be labeled and turned over to the Superintendent of Forage. The exhibitor may then draw on this supply for his requirements. These feeds will be billed to him at the regular Exposition rates less their wholesale market price.

No allowance will be made to the exhibitor for any feed brought in by him in excess of his requirements.

Electric Cookers: To conserve space and prevent congestion, no electric feed cookers will be permitted in the Amphitheatre.

Storing Articles: Storerooms will be provided in which all packing and shipping materials must be deposited.

Express: The Express company will have its office at the Exposition for the accommodation of those desiring to ship their exhibits by express. All express material intended to be delivered at the Exposition should be addressed in care of the International Live Stock Exposition, Union Stock Yards, Chicago.

Water Troughs: It is advisable for sheep and swine (including trucklot) exhibitors to bring their own water troughs.

POST OFFICE

There will be a post office in the Exposition Building, where mail will be received and dispatched. All mail addressed in care of the Exposition will be found at this office.

SHIPPING DIRECTIONS

Entries to be shown in the carlot division, should be billed to the Union Stock Yards for unloading at the regular chutes.

All other livestock, and exhibits of merchandise can be unloaded from the cars on the exhibition grounds. Shipments should be billed to the International Live Stock Exposition, Union Stock Yards, Chicago, Express Track, International Amphitheatre via the C. J. Railway.

Exhibitors can, when shipping, if they so desire, fill out their cars with other cattle, sheep, or hogs to make full loads. Any surplus animals not required by the classification can be sold on the regular market, but such surplus must be culled out by the exhibitors before exhibits are delivered to the Exposition.

TRUCK PARKING

Trucks will not be permitted to park in the Amphitheatre parking lot but will be assigned space for the week by the Director of Police and Parking.

RAILWAY FREIGHT OFFICE

The Superintendent of Transportation, at his office, will be prepared to quote tariff rates and to bill freight for shipment at the close of the Exposition.

RAILROAD TICKET OFFICE

Railroad lines will have agents at the Exposition, where full information may be obtained as to routes and the necessary tickets secured.

GENERAL RULES AND REGULATIONS

Exhibitors are requested to familiarize themselves with all the rules of this Exposition in classes and departments applicable to their exhibits.

IMPORTANT GENERAL HEALTH REQUIREMENTS:

Out-of-state livestock exhibited in Illinois must be accompanied by an official interstate health certificate from the state of origin, issued by a licensed, accredited, approved veterinarian, and bearing the approval of the livestock sanitary official of the state of origin, showing compliance with Illinois entry requirements.

Illinois livestock exhibited in Illinois must be accompanied by official health certificate or test report and/or vaccination record showing compliance with exhibition requirements.

Health papers shall be made in the same name in which animals are to be exhibited, shall be presented to and approved by the veterinary livestock inspector at the fair before animals are shown, and shall be available at all times.

Violation of Rules: RULE 1. **An exhibitor who violates any of the following rules will forfeit all privileges and premiums and be subject to such penalty as the Executive Committee may order.**

Liability: RULE 2. All exhibits will be under the control and direction of the Manager, but the Exposition will in no case be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him, and for its description as given in the catalog, and shall indemnify the Exposition against all legal or other proceedings in regard thereto.

Interpretation: RULE 3. This Exposition reserves to its Executive Committee the final and absolute right to interpret these rules and regulations, and arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of, or connected with, or incident to, the Exposition.

Amending Rules: RULE 4. The Exposition reserves the right to amend or add to these rules as the Executive Committee in its judgment may determine.

ENTRIES

Application for Entry: RULE 5. All applications for entries must be made out on printed forms and in accordance with instructions on them, giving class

CATTLE FED WITH TRIPLE ACTION DYNAFAC GO ON FULL FEED IN 10 DAYS

at L. R. Rector Cattle Co., Billings, Montana

"We were one of the first to use Dynafac when it came on the market, and we have been using it ever since," reports Kenneth Lucien, partner in the operation. Their feedlot runs about 1150 head of cattle in the summer and 1000 in the winter. There's feed in the bunks all the time.

"We use Dynafac for bloat control," says Kenneth Lucien. "We think that it counteracts bloat." He said that before they started using Dynafac in their rations, they had considerable trouble from bloat, especially in the summer when rations were switched from old to new barley, and in the winter when feed got wet from rain or snow. Now, they report no bloat trouble—they change feeds overnight and cattle keep right on gaining.

Dynafac's triple action works three ways to increase your profit margins: (1) Practically eliminates feedlot bloat and founder; (2) Improves carcass quality and helps upgrade cattle; (3) boosts daily weight gains as much as 10 to 15%, improves feeding effiiency, cuts feed costs. Make sure your next cattle feed order contains Dynafac."

number, age, registry number, and all other necessary information. These forms, after being signed by the exhibitor, are to be filed in the office of the Secretary of the Exposition on or before November 1. This applies to all entries, except dairy cattle, which must be entered on or before October 26, and carloads, which must be entered on or before November 14. In all cases the right is reserved to reject entirely or accept conditionally any entry or application.

Entry Fees & Initial Bedding Charge: RULE 6.

Entry fees will be charged as follows:

Cattle—$5.50 per head
Nurse Cows—$7.00 per head
Sheep and Swine—$5.00 per pen
Trucklots of Sheep and Swine—$10.00 per pen
Horses—$17.50 per stall
(There is no entry fee for cattle carlots)

Initial Bedding charges for all entries exhibited in the Amphitheatre will be made as folows:

Cattle (including Nurse Cows)—$1.50 per stall
Horses—$1.50 per stall
Sheep and Swine—$.75 per pen
Trucklots—$1.50 per pen

Entry fees and initial bedding must accompany entries. Payments will be retained even though exhibitor fails to bring his animals. No fees will be refunded after November 1.

Ownership of Animals: RULE 7. To be eligible for competition, whether singly or in groups, animals must be the bona fide property of exhibitors, and all breeding animals entered for competition must be owned by exhibitor for 60 days prior to November 1, and registry certificate of ownership or transfer must be produced.

Entries of open class steers, wethers, and barrows must be owned by exhibitor at the time of closing of entries, November 1. Any animals sold at sales or shows after November 1 will not be eligible for competition.

The above will not apply to steers, lambs or barrows entered in the Junior Livestock Feeding Contest, as stated in rules and regulations for that contest that steers will not be permitted to change ownership after April 1, 1959, and barrows after June 1, 1959, and lambs after September 1, 1959, and no boy or girl will be allowed to exhibit an animal that has been shown at any fair or show during the current year by some other person.

Firms and Co-Partnerships: RULE 8. Firms and co-partnership entering animals for competition must be in existence at the time of making entry, and in all cases must be bona fide, and affidavits of the age of firms may be required by the management.

Eligibility for Competition: RULE 9. An animal can compete in more than one class, and for any and every purse in groups or specials to which they are eligible under the classification. The rules are so arranged as to enable every exhibitor to easily determine in which classes his exhibits are eligible.

Catalog Numbers: RULE 10. All entries will be inserted in the catalog and exhibitors on their arrival at the Exposition will receive, on application to their respective association representatives, cards with duplicate numbers to correspond with the catalog number.

Substitution: RULE 11. No person having entered anything for competition will be allowed to make substitution of animals or otherwise change the entry after ten days prior to the opening of the Exposition, except as noted in Rule 12, nor may any one refuse any premiums awarded and the prize ribbons and commendation cards must be displayed during the Exposition.

Erroneous Entry: RULE 12. Exhibits that have been erroneously entered may, in the discretion of the Manager, be tranferred to their proper classes previous to the judging. If such classes have been judged they shall not be reopened.

All other Sheep and Swine Entries, including truckloads, 6 p.m., Friday, Nov. 27.

Release of Animals: RULE 14. All breeding animals must remain on the grounds until the close of the Exposition at 10 p.m. the final Saturday and will only be otherwise excused on veterinary recommendations approved by the management. Market animals must remain on the grounds until after the sales scheduled for their particular divisions. Any violation of this rule will be cause for forfeiture of all premiums earned by exhibitors.

Care of Animals: RULE 15. After having properly entered their animals, exhibitors must see to their delivery to the superintendent of the department, so that exhibits may be in place, properly ticketed and ready for competition. They are likewise required to attend to their articles or animals while on exhibition, and answer such questions as the judge may deem essential to a correct estimate of their relative value.

Use of Blankets: RULE 16. Exhibitors are prohibited from using blankets or covers on their stock between the hours of 9 a.m. and 9 p.m. each day of the Exposition, except in the carload lots, where the hours will be from 9 a.m. to 4 p.m.

Uniforms: RULE 17. Exhibitors are requested, in their own interests and **for the best appearance of the Show, to see that their attendants are neatly and appropriately dressed when they lead their animals into the ring.**

Evening Shows: RULE 18. A great educational feature of this Exposition is its evening shows and parades of approved livestock. Notice of time and places of parades will be announced by bulletins and stewards.

Refusal to Parade: EXHIBITORS REFUSING FOR ANY CAUSE NOT MEETING WITH THE APPROVAL OF THE MANAGEMENT TO LEAD OUT THEIR ANIMALS FOR PARADE OR FOR COMPETITION IN THE SHOW RING WHEN CALLED BY THE STEWARDS IN CHARGE WILL NOT ONLY FORFEIT ALL PRIZES PREVIOUSLY WON, BUT BE DEBARRED FROM FURTHER PARTICIPATION IN THE SHOW AND REQUIRED TO REMOVE THEIR STOCK FROM THE SHOW GROUNDS WITHIN SIX HOURS AFTER SUCH REFUSAL. The Executive Committee may further impose such additional penalty as in its judgment the case deserves.

Catalog of Exhibit: RULE 19. No animal shall be considered by the Awarding Committee whose attendant is not wearing an entry number card during competition.

Removal of Exhibit: RULE 20. An exhibitor wishing to remove an exhibit for the night must apply to the Manager;, and, if there appears to be good reason for the removal, it may be effected by leaving a suitable deposit and receiving an official pass, the time of leaving and that of returning to be inserted thereon; and, if the exhibit be not duly returned, the deposit will be forfeited to the Exposition.

Delivery of Animals, Placards: RULE 21. Exhibitors will not be allowed to deliver animals or articles during the Exposition without special permission (though they may receive and book orders), nor will they be permitted to call

Conduct: RULE 22. Any false representation, interference or ungentlemanly conduct on the part of an exhibitor will be dealt with by the Executive Committee according to the equities of the case.

Protests: RULE 23. All protests must be in writing and accompanied by a deposit of $20, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complaint, or appeal, and must be delivered to the Manager within six hours after the occasion for such protest, or in the Market Animal Classes, if age is brought into question, on the day prior to the one on which the animals are to be judged.

Appeals: RULE 24. No appeal of, or appeal from an award based upon a statement that the Judge or Judges have overlooked an animal or article will be considered by the Executive Committee.

Points Considered: RULE 25. The primary object of this Exposition is to encourage the breeding and feeding of improved breeds of livestock for well-defined, practical purposes. Regard will be had to symmetry, size, form, action, constitution, vigor and general characteristics of the various breeds, with reasonable allowances for age, but due regard will also be paid to heads and that graceful carriage, style and general refinement that denote breed character—points which, while not weighing on the scale, add value to animals when being sold for breeding and carcass purposes. And, in groups, encouragement will be given to uniformity of breed type.

Barren Animals: RULE 26. The Exposition bars and will to the utmost of its power discourage and prohibit the exhibition of barren animals in the breeding classes.

Obesity and Leanness: RULE 27. The Exposition reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness in which condition animals are unfit for exhibition.

Official Veterinarian: RULE 28. The Manager will appoint veterinary surgeons and such other assistants as may be necessary. The veterinary surgeon shall cause all animals to be examined before their admission to the grounds, as a safeguard against infectious or contagious diseases, and shall make inspection of the grounds, stables, stalls and pens and make report in writing to the Manager of the condition in which said grounds, stables, stalls and pens are kept. In case of sickness of any animal it shall be removed when ordered by the Manager to a separate enclosure, where the exhibitor may either direct treatment of the animal himself, or employ a veterinary surgeon appointed for that purpose, for whose services and other necessary expense incurred a reasonable charge will be made by the Exposition. The right is reserved to the Manager to order the peremptory removal from the grounds of any animal to which this rule applies.

JUDGES

Note: Judges are earnestly requested to familiarize themselves with all the rules and regulations of this Exposition, and to especially mark those rules bearing on the classes to be adjudicated by them. Ignorance of the rules is inexcusable in a judge.

Selection of Judges: RULE 29. The single judge system is the policy of this Exposition, and, in every case, the judge is selected with the utmost care, and, as far as possible, will be of national reputation.

Time of Judging: RULE 30. The time at which the judges will pass upon the different classes is announced in the catalog, and will be on the bulletin boards conspicuously posted. **Any exhibit not presented promptly on schedule will be ruled out and barred from competition in the class called.**

Method of Awarding: RULE 31. No animal will be awarded a prize unless removed from its stall or pen and exhibited with catalog number attached before the judge in show ring

Unworthy Exhibits: RULE 32. Judges must not award a prize to an unworthy exhibit. It is the intention of the Exposition that no premium or distinction of any kind shall be given any animal or article that is not deserving. Judges are also requested to discriminate against animals upon which a surgical operation has been performed to improve their "show" appearance. These rules must be strictly adhered to, whether there is competition or not.

Awarding Championship Prizes: RULE 33. All first and second prize winners are eligible to compete for championship honors; but no second prize animal shall be eligible to rank higher than "Reserve" in any champion class.

Competition: RULE 34. The management reserves the right to return entries and cancel any class in which, in its judgment, the number of entries is insufficient to insure adequate competition. Where there are fewer entries in a class than the number of premiums offered, the judge may, at his discretion, award prizes of such grade as the animals deserve; but in any event, regardless of the number of entries listed in the catalog, where the animals of only one exhibitor or his immediate family are shown, the judge will award only one prize, which may be of the grade to which the judge feels that the exhibit is entitled, and need not necessarily be a first or second prize.

Interference with Judges: RULE 35. If any exhibitor in any way, whether in person or by agent or servants, interferes with the judges during their adjudication, or shows any disrespect to them, or the Exposition, the division superintendent shall, at his discretion, demand a proper apology from such exhibitor, or he may exclude him from competition and from the ring and may also withhold from such exhibitor any premiums that may have been awarded.

Decision of Judges: RULE 36. The decision of the Judges shall be final in all cases, except where mistake, fraud, misrepresentation or collusion, not discovered at the time of the award, is proven. In such cases the Manager, or such referee as he may appoint, may make decision, or with his approval, the case may be appealed to the Executive Committee, from whose decision there can be no appeal.

Animals Disqualified: RULE 37. Should any animal awarded a cash prize be disqualified the animals gaining the lower prizes shall graduate up into the higher positions next in order above them if in the opinion of the judges these animals are worthy of such prizes.

PREMIUMS

Ribbons: RULE 38. Premiums will be designated by ribbons: Blue, first; red, second; white, third; pink, fourth; yellow, fifth; green, sixth; Championships, royal purple. To add to the value of awards, all ribbons will be copyrighted.

Exhibiting Premiums: RULE 39. Exhibitors will be allowed to display prize ribbons, medals, certificates of award, etc., at their own quarters during the entire Exposition, subject to the approval of the Manager.

Paying Awards: RULE 40. (a) Cash premiums will be paid by bank check upon proper certification of awards, as soon as possible after the close of the Exposition. (b) Special premiums will be paid by those offering them, on certification from the Manager. (c) Premiums not claimed by exhibitors by January 1 of the following year shall be deemed forfeited to the Exposition or donors. (d) The Exposition reserves the right to withhold premiums awarded in every case in which it shall appear to the Executive Committee that the regulations have not been complied with, or that fraud or deception has been practiced or attempted.

Eligibility of Animals: RULE 41. All animals in the breeding classes must be recorded or accepted for record in the recognized books of record for their respective breeds, as listed below, and exhibitors must produce certificates of registry at the request of the Manager any time during the Exposition.

SPECIAL PRIZES

FOR THE

MEN BEHIND THE HERDS AND FLOCKS

Recognizing the superior skill, fine judgment and faithful devotion to duty on the part of the herdsmen and shepherds in preparing the splendid specimens of animal excellence displayed annually at the International Live Stock Exposition, the management has established a series of competitive awards each year in the shape of medals.

The medals to be won comprise the following:

To the herdsman fitting the grand champion steer of the show.

To the herdsman fitting the grand champion carload of beef cattle.

To the herdsman fitting respectively the grand champion bull of each of the five breeds of beef cattle.

To the herdsman fitting the grand champion female of each of the six breeds of dairy cattle.

To the shepherd fitting the grand champion wether of the show.

To the shepherd fitting the grand champion pen of wethers.

To the shepherd fitting the grand champion truckload of sheep.

To the herdsman fitting the grand champion barrow.

To the herdsman fitting the grand champion pen of barrows.

To the herdsman fitting the grand champion truckload of hogs.

The conditions of these awards shall be (1) that the animal or animals winning the championships named shall have been under continuous, immediate and personal charge or care of the herdsman or shepherd for a period of at least six months preceding the opening day of the show; (2) that, except for unavoidable sickness or other excusable absence, the animal or animals shall be led into the ring or exhibited to the judges by such herdsman or shepherd as the case may be.

The purpose of awarding this series of valuable and beautiful medals is to show appreciation on the part of the management of the large share of credit due these faithful men for the excellence of the yearly exhibits at the "International," and to offer added incentive and a further reward for the intelligent thought and painstaking care by which they have sought to improve the breeds to which they are devoted.

SANTA GERTRUDIS

America's First Beef Breed

The Santa Gertrudis breed was developed on Texas' fabulous King Ranch, which was established in 1853 by Captain Richard King. Until about 1880, the hardy, but low productive Mexican, or Longhorn cattle, grazed the King Ranch. Within the next decade, purebred Hereford and Shorthorn breeding herds were introduced in an effort to increase the beef production efficiency. After several generations, however, the King Ranch found it difficult for these improved cattle to maintain their standard of excellence under the severe climatic and range conditions of South Texas. It was decided that a more hardy breed was needed.

Starting in 1910, greater hardiness was obtained in part of the King Ranch's breeding herds through an infusion of Brahman blood. This infusion was that of Brahman on a Shorthorn base. Because of superior results obtained with these infused Shorthorns, the King Ranch decided to convert an entire herd of 2,500 very select purebred Shorthorn cows into hardier cattle by the Brahman infusion route.

Early in the second phase of this experimental work, a very outstanding bull calf, named Monkey because of his playful antics, was produced. He was large, had a distinctive red color and was of good disposition. He was exceptionally beefy, deep and heavy for his age. On full feed, he weighed 1,100 pounds at 12 months of age. Born in 1920 and turned into the breeding herds in 1923, he began to sire calves which retained his outstanding characteristics and proved his exceptional prepotency. By selective line breeding, occasional inbreeding and skillful mass selection, the characteristics of the bull Monkey and his offspring were rapidly established in all descendents of the original Shorthorn breeding herds. Monkey died in 1932, but more than 150 of his sons were already being used on the Brahman-infused cows.

In 1940, thirty years after the first experiment was initiated, the Santa Gertrudis was officially recognized as a pure breed, the first beef breed ever to be developed in America. Today, Santa Gertrudis breeding herds can be found in more than 44 states and 39 foreign countries.

In 1951, Santa Gertrudis Breeders International was established with Kingsville, Texas, as headquarters. The Association now has more than 800 members and its field representatives have classified more than 97,000 head of Santa Gertrudis. When the association was organized, a classification scheme was instigated whereby animals 18 months and older are judged against the breed's standard of excellence by association classifiers. If they meet minimum requirements, they are classified into definite categories. The category for bulls is "certified purebred," and those for females are "certified purebred" and "accredited." All animals, upon personal inspection, must pass this rigid classification test before being accepted and recorded by the Association.

SANTA GERTRUDIS, America's first beef breed, is rapidly becoming one of the world's most popular beef producers. Its resistance to drouth and pests and ability to gain under adverse conditions is causing breeders in many sections to inquire into the possibility of obtaining foundation stock.

WHAT ABOUT GRADE?

This breed produces meat desired by housewives. Its carcass has less waste through less external fat, good marbling and plenty of tender, juicy meat.

SANTA GERTRUDIS cattle are being exhibited again this year at the International. When exhibited here in past years they drew much favorable comment and attracted large crowds.

(See page 10 for general requirements)

OUT-OF-STATE FEMALES AND BULLS. Accompanied by approved interstate health certificate showing:

Tuberculosis. Negative to test within 30 days of entry unless from an accredited herd or negative herd originating in modified T.B.-free accredited area and cattle for exhibition negative to test within one year of date entering Illinois.

Brucellosis. Females and bulls over 6 months of age negative to test within 30 days unless from a certified brucellosis-free herd, or unless cattle are under 30 months of age and officially calfhood vaccinated. All brucellosis tests are to be conducted at State or Federal laboratory.

Brucellosis suspects will not be admitted to state.

After entry, health certificates will be honored for 90 days from date of test.

ILLINOIS FEMALES AND BULLS.

Tuberculosis. Negative to test within 90 days of exhibition unless originating in accredited herd, or originating in a negative herd and cattle for exhibition were negative to test within one year of exhibition.

Brucellosis. Females and bulls over 6 months of age negative to test within 90 days of exhibition unless from a certified herd, or unless cattle are under 36 months of age and officially calfhood vaccinated.

Brucellosis suspects will not be permitted to show.

Scabies. No cattle infested with scabies mites shall be brought into or exhibited within the State of Illinois.

STEERS. Tuberculosis and brucellosis tests not required, provided steers are isolated from breeding cattle during exhibition.

Breeding Cattle: RULE 42. Judges are instructed to award prizes for breeding cattle in the order in which they, as buyers, would make selection therefrom for breeding purposes; due consideration being given to the accepted maxim of breeding, that "like produces like," and to the doubtful utility for breeding purposes of over-fat animals, not considering color or pedigree.

Unethical Fitting and Showing of Cattle: RULE 43. The showing of unethically fitted cattle or over the age that is eligible for exhibition in the class in which such animal is being presented for exhibition at the International Live Stock Exposition is prohibited. Unethical fitting within the meaning of this Rule will be deemed to consist of any method altering the natural conformation of any part of the animal's body, evidenced by the presence of abnormal tissue or foreign substance.

Every exhibitor, in consideration of his entry being accepted by the International Live Stock Exposition, specifically represents that no animal entered therein by him as his exhibit is unethically fitted, or over age.

Every exhibitor, in consideration of his entry being accepted by the International Live Stock Exposition, specifically agrees to submit any animal so entered by him to inspection by any veterinarian appointed for such purpose by the Executive Committee of the Board of Directors, or by the Board of Directors, and likewise specifically agrees to have such animal submitted to such tests as may be designated and requested by such veterinarian, and further specifically agrees that the conclusions reached by such veterinarian as to whether such animal is unethically fitted, or over age, shall be final and conclusive, without recourse against the International Live Stock Exposition or any officer thereof or any veterinarian as appointed aforesaid; and said exhibitor also by such entry waives any right of action which he might have for any action taken under this Rule, and releases the International Live Stock Exposition and the veterinarian appointed to act for it under this Rule from any and all claims or demands whatsoever in connection with the inspection or testing of any such animal or any ruling or action taken by reason of the conclusion of such veterinarian as to whether such animal is unethically fitted under the terms of this Rule.

The Executive Committee of the Board of Directors, or the Board of Directors, are hereby authorized in the event any such animal is declared by such veterinarian to be unethically fitted as aforesaid to permanently bar such animal from competition at the International Live Stock Exposition and may bar the exhibitor entering such animal, his herdsman, his manager or any of them from any further participation in the International Live Stock Exposition. Reinstatement of anyone so barred may be made only by a majority vote by the Board of Directors.

In case any premium shall have been awarded to animals shown in violation of this rule, the International management will immediately request the exhibitor to refund all premiums, moneys, cups, trophies, and ribbons awarded to such animals.

Nurse Cows: RULE 44. Use of nurse cows will be permitted only for junior and senior calves, including steers, and will be limited to one cow for each calf.

Signs: Signs and placards used in connection with exhibits are not to exceed 22"x 28" in size.

ABERDEEN-ANGUS

America's Fastest Growing Beef Breed

By Frank Richards, Secretary, American Angus Association

It has been less than a century since Aberdeen-Angus cattle began producing beef for America's dinner tables. Yet in the 85 years since the Blacks were first imported from Scotland, the name Angus has come to mean the highest quality in beef. Since the American Angus Association was founded in 1883 there have been more than 2,700,000 purebred Aberdeen-Angus registered in the American Herd Book. Angus is today America's fastest growing beef breed.

The ancestors of this breed were to be found in the rugged hills of northern Scotland, where the hornless, black, native cattle were noted as far back as the 16th Century in that area. Existing on sparse vegetation and enduring a harsh climate, these animals passed on to their present day Angus descendants superior foraging qualities and the ability to thrive, unhampered by geographical limitations.

When the first Aberdeen-Angus were brought to the United States in 1873, the white-faced breed had been established for 56 years and the reds and roans were a fixture of 90 years-standing. However, the Blacks soon proved they had the superior qualities needed to compete easily with the other breeds.

The rivalry of fat stock shows quickly established the Angus reputation for superior beef quality. At the world's greatest stock show, the International Livestock Exposition, Angus steer winnings in the past 58 years have accounted for nearly 75 per cent of the grand championships in the four major divisions. Angus alone have "Swept the Board" not once, but 15 times—winning all four interbreed championships in one year!

At the 1957 Exposition the group of steers and carload championships were both won by Aberdeen-Angus entries. The 15 Angus beeves which topped the carload division became the 43rd Angus carload to win these honors. An Angus cross took top honors in the carcass contest. Blacks have captured the carcass championship in 49 out of 52 contests, and Angus crosses have placed first twice. The selection of the group of three steers gives the Aberdeen-Angus breed 66 per cent of all the championships in this division. Individual steer championships have gone to Angus 27 times or 52 per cent of all winnings.

On their many merits, Aberdeen-Angus have won the respect and admiration of the entire beef cattle industry—the farmer and rancher, the feeder, packer and consumer. Their ability to rustle on the range under varied climatic conditions, their natural lack of horns, their solid black color, their resistance to profit-sapping eye troubles, and their famous record of steer winnings on the hoof and on the hook in the International competition have won for them an important place in the beef production programs of practical cattlemen.

HEREFORD

(See Rule 41)

The American Hereford Association contributes one-half of the following prizes for Hereford breeding cattle recorded in the American Hereford Association. The Association's portion will be paid directly from the offices in Kansas City, Missouri.

NOTE: All exhibitors who have at least 10 head of cattle are required to show in the 10 head class unless officially excused. Those failing to show will not be paid regular premium money.

NOTE: Individual animals shown in all of following group classes must have been entered and shown in one of the classes for single animals.

POLLED SHORTHORN

(See Rule 41)

CHAS. J. LYNN CHALLENGE TROPHIES

Two challenge trophies in memory of Chas. J. Lynn are offered—one to be awarded to the exhibitor of the grand champion Polled Shorthorn bull, the other to be awarded to the exhibitor of the grand champion Polled Shorthorn female. Each trophy must be won three times by one exhibitor before becoming his permanent possession.

The American Polled Shorthorn Association contributes $2,080 toward the payment of the following prizes in the breeding classes: (No exhibitor shall be permitted to win more than two prizes in any one class.)

NOTE: Individual animals shown in all of following group classes must have been entered and shown in one of the classes for single animals.

SHORTHORN

(See Rule 41)

SPECIAL

Shorthorn Society of United Kingdom of Great Britain and Ireland offers a Silver Challenge Cup for the best Shorthorn exhibited. This cup to be won three times by the same exhibitor (not necessarily in succession) before becoming his absolute property. The cup must be awarded on each occasion to a different animal.

The American Shorthorn Breeders' Association contributes $4,080 toward the payment of the following prizes in the breeding classes: (No exhibitor shall be permitted to win more than two prizes in any one class.)

NOTE: Individual animals shown in all of following group classes must have been entered and shown in one of the classes for single animals.

STEER DIVISION

STEER JUDGE: Stanley Anderson, Lubbock, Texas

IMPORTANT NEW STEER REGULATIONS

Definition of Classes

Junior yearling—Born on or after January 1, 1958. A steer entered as a junior yearling, but by mouthing is found too old, will not be allowed to be shown or sold at the show.

Summer yearling—Born on or after May 1, 1958.

Senior calf—Born between September 1 and December 31, 1958.
Mouthing: RULE 45. All steers will be "mouthed" by competent veterinarians; and all will be **individually identified** at the show.

1. Following is a diagram of each class—senior calf, summer yearling and junior yearling—position of teeth, and condition of mouth, **at time of International Live Stock Exposition:**

SENIOR CALF	SUMMER YEARLING	JUNIOR YEARLING
		
All temporary incisors FIRMLY in place.	All temporary incisors in place. NO evidence of permanents.	May have two center permanent incisors in place. NO evidence of other permanent incisors.

2. **Age Certifications** for steers will be eliminated because ages of animals given in many instances are widely different than mouthing indicates.

3. Enter steers in class you know they rightfully belong. However, mouthing will be the Exposition's method of determination of classification.

4. If you do not have recorded date of birth of steer you are entering, and you are in doubt whether it should be entered in Senior Calf Class, or Summer Yearling Class, it would be advisable to enter in the older class. (Summer Yearling). Likewise under same situation between Summer Yearling and Junior Yearling, it would be advisable to enter in the older class (Junior Yearling).

The International Live Stock Exposition reserves the right to eliminate from the Show any animals incorrectly entered.

DENTAL REQUIREMENTS FOR STEER CLASSES

JUNIOR YEARLING. A junior yearling may have the two center temporary incisor teeth replaced by permanent incisors. The remaining six temporary incisors must be in place and there may be no evidence of eruption of any permanent incisors other than the centers.

SUMMER YEARLING. A summer yearling must have all eight temporary incisor teeth in place. There may be no evidence of eruption of any permanent incisors.

SENIOR CALF. A senior calf must have all eight temporary incisor teeth firmly in place. There may be no evidence of eruption of any permanent incisors.

Advice to Judges: RULE 46: Judges are instructed to prefer the highest degree of excellence obtainable, considering form, finish, quantity and quality of flesh and fat, and weight for age; to recognize the very highest quality of prime edible meat, and to object to the production of superfluous tallow; qualities that are indicated to the touch, to the end that animals that win prizes on foot shall ultimately be proved first quality of beef and a profitable type of beef-producing animal (see Rule 42).

Duplicate Ribbons: Note.—As there has been considerable rivalry between the exhibitor and the purchaser for the possession of the first and championship ribbons, the management has decided to duplicate these throughout the fat cattle classes.

NOTE: All steers will be ear-tagged and mouthed at 8:00 a.m., Wednesday, November 25.

THE B. H. HEIDE MEMORIAL TROPHY

Friends of the late B. H. Heide, secretary-manager of the International from 1907 until his death in 1946, offer a sterling silver perpetual challenge trophy to be awarded to the feeder of the grand champion steer. The award is to be made at the time of the sale of the grand champion and the cup is to be held for one year.

LORD ELGIN TROPHY

The Elgin National Watch Company presents the Lord Elgin Trophy, a perpetual trophy, in honor of the Earl of Elgin and Kincardine, to the exhibitor of the Grand Champion Steer. The exhibitor's name will be inscribed on the base of the trophy. Trophy will be held for one year by the winner and returned to the International office one month prior to the next year's show. A Lord Elgin watch will be presented to the exhibitor of the Grand Champion Steer. If the exhibitor of the Grand Champion Steer has been awarded a watch in the Junior Livestock Feeding Contest, only one will be presented.

The American Angus Association contributes $2,115 toward the payment of the following prizes for steers, Spayed or Martin Heifers (Purebred, Grade or Crossbred by Aberdeen-Angus sire):

NOTE: Date of birth of animal must be stated on entry card. Where exact date is unknown, month and year may be given.

GRAND CHAMPION

Rule 47. Competition in Class 185 is limited to champions and reserve champions in Classes 173, 178, and 183, but reserve champions shall not be entitled to rank higher than reserve grand champion. No previous entry needed. Entries will be made by the ring stewards after breed judging is completed.

The Grand Champion Steer must be sold at auction immediately preceding the International Live Stock Exposition sale of the carlot cattle.

CLASS 185

GRAND CHAMPION STEER OR HEIFER OF THE SHOW—$100—RIBBON

THE MAHRAPO PERPETUAL CHALLENGE TROPHY

The Mahrapo Perpetual Challenge Trophy is given by Stephen Birch, Jr., Mahrapo Farm, Mahwah, New Jersey, in memorial to his father who believed in honesty and persistence of purpose. To be awarded if the grand champion steer is an Aberdeen-Angus bred and owned by the exhibitor and to be retained by the owner for one year. An additional premium of $250 is also offered by Mahrapo Farm.

"The trophy is presented as an incentive toward furthering the strength of the future of the Aberdeen-Angus breed which, as in any other field of endeavor, must be conducted in persistence of purpose with honesty and integrity in order to play a part in the preservation of the freedom of our American heritage."

QUALITY MEAT CONTESTS

QUALITY BEEF CONTEST

JUDGES: On Hoof—R. A. Long, Athens, Ga.; L. E. Kunkle, Columbus, Ohio.

Dressed—L. E. Kunkle, Columbus, Ohio; R. A. Long, Athens, Ga.

Carcass contest steers must be in the Amphitheatre by 6 p.m. Tuesday, November 24. Wednesday morning they will be mouthed in accordance with the rules followed in the live steer show. (See page —.) A steer entered in either of the two older classes found by mouthing to fall into a younger class, will not be transferred to the younger class. Live minimum weights as listed in the classification must be met at time of mouthing. (One weighing only and no weight transference.) Carcass minimum weights will be met prior to carcass judging.

The On Hoof classes will be judged at 8 a.m. Thursday, November 26. **ANIMALS ENTERED IN THE CARCASS CLASSES MUST BE ENTERED AND SHOWN ALSO IN THEIR RESPECTIVE ON HOOF CLASSES.** Competition is open to any breed, purebred, grade, or cross.

Immediately following the judging, the cattle will be weighed for sale weight and taken to the packing plant for slaughter. The judging of carcasses will be completed by Monday, November 30. The grand champion and reserve grand champion carcasses will be returned to the Amphitheatre for exhibition while the other carcasses will be on display in the packing plant.

The carcasses will be evaluated in accordance with their meat characteristics and sold. The proceeds will be transmitted to the exhibitors through the commission house so designated by the exhibitor.

Exhibitors are limited to 2 entries per class and a total of not more than 6.

Instruction to Judges: Judges of steer carcasses in competition are instructed to select for:

1. Heavily fleshed carcasses, having a uniform, yet not excessive fat covering, preferring carcasses with not more than .15 inches of fat covering per 100 lbs. of carcass weight when measured at the 12th rib.
2. High percentage of carcass weight in the more desirable cuts; preferring carcasses with 2 sq. in. of loin eye per 100 lbs. of carcass weight.
3. High quality in both the flesh and fat; preferring fine-textured, bright-colored muscle with marbling scores from 8 to 10 (minimum score equivalent to choice marbling standards).

The judges of the dressed carcass classes are first required to select the top 15 carcasses in each class prior to ribbing at the 12th rib. The top 10 places will be made using the ribeye to evaluate flesh quality.

JUNIOR LIVESTOCK FEEDING CONTEST

ELIGIBILITY

For the purpose of encouraging a practical interest among young people on farms in the feeding of cattle, sheep and swine, the Union Stock Yard & Transit Company of Chicago offers prizes as listed on animals fed by boys and girls between the ages of 12 and 20 years inclusive on January 1, 1959.

Participation in this division is limited to (1) Bona fide 4-H Club members conducting a livestock project under the State rules of the Agricultural Extension Service; (2) Bona fide FFA members conducting a livestock project under the State rules of Vocational Agriculture; (3) Junior Exhibitors from other countries that have similarly organized groups, meeting the requirements of their respective Country or Province. Any exhibitor may be required to show proof of his eligibility to compete in this division.

RULES AND REGULATIONS

1. All entries must be made to the exhibitor's county agent or agriculture instructor on regular entry blanks by October 15, approved and signed by an agriculture instructor or county extension agent supervising such project and by a parent. The county agent or the agriculture instructor will forward the blanks to the office of the International Live Stock Exposition, Union Stock Yards, Chicago 9, Illinois, by November 1, 1959, final entry closing date.

2. Exhibitors must personally feed and care for the animals entered during the entire feeding period, and also personally exhibit these animals without any aid or assistance unless excused by the Superintendent of the Contest while showing in another Junior class, which permission must be secured prior to actual showing, and be filed in writing. (Away from home, attending school or working, will be considered a violation of this rule.)

If a prospective exhibitor has animals on hand to show at the 1959 show and is called into the armed services after August 1, 1959, he may request permission for another junior to fit, feed, and show his animals. Such request must be made in writing to the International Live Stock Exposition with the name, address, and age of the junior who will care for and exhibit such animals. Also, the farm on which animals will be cared for must be included in the application.

3. No boy or girl will be allowed to exhibit an animal that has been shown at any fair during the current year by some other person.

4. Complete records of the project must be carried up to the time of registration at the show by all boys and girls carrying fat stock projects for the Exposition.

5. The same regulations concerning fee, initial bedding charge, feed charges and other matters not specifically mentioned above will prevail in this contest as in the open classes.

6. Animals entered in this contest must be stalled or penned in the special section provided by the International management, and according to whatever arrangement they request.

7. Only the first four prize winners in each class in the Junior Feeding Contest Steer Show will be eligible to compete in their respective open classes. In the case of barrows the highest placing prize winning pig in each breed will be eligible to compete in its respective class in the open show.

8. Exhibitors are limited to one entry in any one class in this contest except in championship classes.

9. Any exhibitor may be required to show proof of his eligibility to compete in any class.

10. Violation of any of the above rules will bar an exhibitor from participating or showing for any of the prizes, and may bar him from future shows.

11. Interpretation of these rules rests solely with the management of the International Live Stock Exposition.

12. Dormitory accommodations in the Stock Yard Inn Annex at the special rate of $1.50 per night will be provided, as far as such quarters are available at that time, for the boys in this contest. If hotel rooms are desired, make reservations early. **Exhibitors must make all arrangements for housing DIRECT WITH HOTELS.**

STEER SHOW

JUDGE: Stanley Anderson, Lubbock, Texas

Important Notice

All steers approved for the Junior Show will be "mouthed" by competent veterinarians; and all will be individually identified at the show. Mouthing will begin immediately after the weeding. The classes will be brought out before a weeding committee beginning at 8:00 a.m. on Tuesday, November 24. Classes will be called for these purposes in the order they are listed below. Steers that are weeded will be sold the same day in a special auction beginning at 1:00 p.m.

All steers in this contest must be delivered to the Amphitheatre not later than 6:00 p.m., Monday, November 23.

Age Certificates for steers will be eliminated because age of animals given in many instances are widely different than mouthing indicates.

Enter steers in class you know they rightfully belong. However, mouthing will be the Exposition's method of determination of classification.

If you do not have recorded date of birth of steer you are entering, and you are in doubt whether it should be entered in Senior Calf Class, or Summer Yearling Class, it would be advisable to enter in the older class (Summer Yearling). Likewise under same situation between Summer Yearling and Junior Yearling, it would be advisable to enter in the older class (Junior Yearling).

THE INTERNATIONAL LIVE STOCK EXPOSITION RESERVES THE RIGHT TO ELIMINATE FROM THE SHOW ANY ANIMALS INCORRECTLY ENTERED.

A special auction sale will be provided for steers entered in this contest on Friday morning, November 27, at 9 o'clock. There will be an auctioneer's fee of $1.00 per head for this sale and it is optional with the owners if they will sell through it. Exhibitors must provide halters to be left on the animals after the sale.

DENTAL REQUIREMENTS FOR STEER CLASSES

JUNIOR YEARLING. A junior yearling may have the two center temporary incisor teeth replaced by permanent incisors. The remaining six temporary incisors must be in place and there may be no evidence of eruption of any permanent incisors other than the centers.

SUMMER YEARLING: A summer yearling must have all eight temporary incisor teeth in place. There may be no evidence of eruption of any permanent incisors.

SENIOR CALF. The senior calf must have all eight temporary incisor teeth firmly in place. There may be no evidence of eruption of any permanent incisors.

Steers will not be permitted to change ownership after April 1.

DEFINITION OF CLASSES

1. **Junior Yearling**—Born on or after January 1, 1958. A steer entered as a junior yearling, but by mouthing found too old, will not be allowed to be shown or sold at the show.

2. **Summer Yearling**—Born on or after May 1, 1958.

2. **Senior Calf**—Born between September 1 and December 31, 1958.

Where an exhibitor has more than one steer entered, and one of them, by mouthing, is moved into another class, thus giving the exhibitor two entries in one class, the incorrectly entered steer will be transferred to the open show.

The Identification Letter sent in acknowledgment of receipt of entries must be presented upon entering the International Amphitheatre, ordering feed, and making settlement.

ILLINOIS HEALTH REGULATIONS

OUT-OF-STATE SHEEP. Accompanied by approved interstate health certificate showing: Inspection by a veterinarian and free from infectious, contagious or communicable disease and not recently exposed to scabies; or if recently exposed to scabies they must have been dipped in a dip specified by the Federal or State livestock sanitary officials of state of origin, and inspection by a veterinarian within 10 days of entry into Illinois.

ILLINOIS SHEEP. Inspection by a veterinarian within 90 days of exhibition and free from scabies or any contagious, infectious or communicable disease and not recently exposed to scabies.

For Entry Fees and Initial Bedding Charges: See Rule 6,

RULE 51. All sheep in purebred classes must be registered in flock books of their respective breeds and bear the ear tags of their association. The date for computing ages on all sheep shall be September 1. Judges will be instructed to check mouths of sheep and take weight and size for age in consideration before making their final placing.

RULE 52. The exhibitor of sheep must be the owner and all sheep must have the association ear tags before entering the ring and the association ear tag number must hereafter form a part of the entry.

Registration numbers of entries in group classes should be listed on card at time entries are made.

RULE 53. Not more than three individual entries in any one ram, nor more than four in any one ewe class will be accepted. Any breeding sheep brought in excess of this number will be placed in such pens as the Superintendent of the Sheep Department may designate.

RULE 54. An exhibitor will be limited to two prizes in any one individual class and one prize in any one group class.

NOTE: See Rule 33 regarding eligibility in Champion Classes; and Rule 34 in regard to Competition.

IMPORTANT

Signs and placards used in connection with exhibits are not to exceed 22"x28" in size.

THE TOM BRADBURNE MEMORIAL TROPHY

This cup is offered by the late Jess C. Andrew and his family in memory of their shepherd, who served them faithfully for 28 years. It is open for competition to the shepherds of all breeds of sheep. He had so many friends among the other breeds that he would like to have the art of fitting and trimming carried on in all breeds.

The showing for this trophy will be at the end of the sheep judging, and the animals to be shown shall be one yearling ram and two yearling ewes, trimming and condition of fleece to count 60 per cent, fitting to count 40 per cent.

This is to be a perpetual cup, and the winner's name will be inscribed each year on the cup, and the cup is to remain in the Saddle and Sirloin Club where the people most interested will see it.

THE MACMILLAN HOOPES TROPHY

Mr. Macmillan Hoopes, Wilmington, Del., past president of the American Hampshire Sheep Assn., desiring to have the greatest possible improvement of the breed always foremost in the minds of the breeders, offers, under the auspices of the Association, a silver cup, as a permanent trophy at the "International" for the Best Pen of Three Registered Ram Lambs, bred and owned by exhibitor, who must be a member of the Association in good standing. Winner to hold trophy for one year and return same to Exposition Management in time for succeeding annual Exposition; each winning exhibitor's name to be engraved on trophy.

THE COMFORT A. TYLER MEMORIAL TROPHY

Presented to the members of the American Hampshire Sheep Association by a friend, in memory of the late Comfort A. Tyler, who was Secretary of the Association 1900-1934. Competition on best group of two yearling ewes and two ewe lambs, all registered, bred and owned by exhibitor, and shown at Chicago International Exposition. Winner to hold trophy for one year, returning it in time for the next "International".

AMERICAN HAMPSHIRE SHEEP ASSOCIATION SPECIALS

The American Hampshire Sheep Association of Stuart, Iowa, offers specials in the following classification. To be eligible for these specials the exhibitor must be a member of this Association and must own and have recorded in his name the animals shown. Lambs may compete in lamb classes as long as they possess their lamb teeth.

Only one prize will be paid to any exhibitor in a class.

Premium money will be sent directly to exhibitors from Association office.

Ribbons will be awarded by the Association for these classes.

ENGLISH SUFFOLK SHEEP SOCIETY SPECIAL

In order to further the interests of the breed in the United States, the English Suffolk Sheep Society offers a Perpetual Challenge Cup, value $125, for the best flock (one ram, two yearling ewes and two ewe lambs), of registered Suffolk sheep exhibited at the "International," belonging to a member of the National Suffolk Sheep Association (but not necessarily bred by exhibitor). This cup is to be in the possession of the breeder who wins it for one year at a time and his name is to be engraved upon it. The cup is to be returned to the National Suffolk Sheep Association at Chicago in time for the Show again next year.

THE JAMES LAIDLAW MEMORIAL TROPHY

Given by a friend in memory of the late James Laidlaw is offered through the National Suffolk Association on the best Pen of Three Suffolk Ram Lambs shown at the International Exposition. The trophy is to be won three times in succession before becoming the permanent property of the exhibitor.

AMERICAN SUFFOLK SHEEP SOCIETY SPECIALS

These specials are open to members of the American Sheep Society. The sheep must be registered in the American Society and carry Society tags in ears at time of exhibition.

NATIONAL SUFFOLK SHEEP ASSOCIATION SPECIALS

The above Association offers special premiums on registered Suffolk sheep under the following conditions:

Competing animals must be recorded in the National Suffolk Sheep Association and wear the registry ear tag of the Association at the time of showing.

Prize money will be paid direct from the Association office upon receiving from the International the placings and registry numbers of animals in their respective classes. Awards to any one exhibitor will be limited to one award in single classes and groups. Exhibitor must be a member of the National Suffolk Sheep Association.

RULE 55. All grade and crossbred wethers will compete in the regular breed classes with the purebreds. They must be **sired by purebred rams** and the blood of the sire will determine the breed competition in which they will be shown.

RULE 56. Eligibility for competition in any class shall be determined by the actual weights of wethers at the time the class is judged. The management reserves the right to weigh any or all wethers shown in competition.

Wethers should be entered in the classes in which they are likely to fall at Exposition time. If upon arrival they weigh into another class, they will automatically be transferred to the proper class.

NOTE: All wethers in the show will be mouthed by a competent veterinarian.

QUALITY LAMB CONTEST

(Any Breed, Purebred, Grade or Cross)

JUDGES: Hilton Briggs, Brookings, S. Dak.
J. W. Cole, Knoxville, Tenn.

Entries must be in place by 6 p.m. Wednesday, November 25. These entries will be officially weighed and tagged at 8 a.m. Thursday, November 26, just prior to the On Hoof judging. Animals entered in the carcass classes (37 and 38) must be entered and shown in the On Hoof classes (34 and 35). Immediately following the judging the lambs will be trucked to the packing plant for slaughter.

The carcasses will be judged on Monday morning, November 30. The champion and reserve champion carcasses will be returned to the Amphitheatre for exhibition, while the other carcasses will be on exhibit in the packing plant.

All entries must be shorn between September 1 and 15.

All entries must grade U S. Choice alive to be eligible for Carcass Competition. The grade of the entry will be determined by the judging committee.

Instructions to Judges.

Judges of the Quality Lamb Contest are instructed to select for:

1. Heavily fleshed carcasses with a high proportion of the carcass weight in the more desirable cuts.
2. High quality flesh and fat.
3. A uniform, yet moderate, not excessive fat covering.

The judges of the carcass classes are instructed to select the top 15 carcasses, prior to ribbing. Then the rib eye and its covering of external fat will be used to make the final placings.

Exhibitors are limited to two entries in a class.

WOOL SHOW

JUDGE: Charles Poland, Indianapolis, Ind.

1. **Purpose:** The objects of this exhibit are: first, to encourage the production of better wool; second, to stimulate interest in the proper preparation of wool for market; third, to ascertain the correct grading of the fleeces, and fourth, to select the best fleeces entered in each class.

2. **Eligibility of Contestants:** Any grower of wool may enter fleeces, but they must be entered in the name of the grower. In the purebred classes the grower will be required to give the registration number of the sheep from which the fleece was shorn and to certify that he was the owner of said sheep at the time of shearing. The management reserves the right to verify such information with the breed associations and to reject any fleeces which do not meet these requirements or for which such information has been omitted at the time the entry is made.

3. **Entry Fees:** An entry fee of $2.00 will be charged on each fleece entered in the Wool Show. This entry fee must be paid at the time the entry is made if the exhibitor desires to have his fleece returned at the conclusion of the show. If the exhibitor does not desire to have his fleece returned, the International Livestock Exposition will purchase the fleece, deduct the entry fee and return the remainder to the grower together with a bill of sale. Fleeces will be returned at the grower's expense only when the management has been notified and the entry fee has been paid.

4. **Number of Entries:** Exhibitors are limited to two entries in any class, but entries may be made in as many classes as are desired. No fleece may compete in more than one class except Championship Classes and those entered in Division III (Purebred fleeces) cannot be exhibited in Division I or II (Market fleeces).

5. **Eligibility of Fleeces:** In order to compete for prizes, each fleece must:

(a) Have been shorn within the previous 12 months except that in the case of yearling fleeces, 16 months growth will be allowed.

(b) be ewe fleeces in Divisions I and II.

(c) be shorn from purebred, registered sheep owned by the exhibitor in Division III.

6. **Qualifications:** Any fleece entered in competition at the Wool Show shall be discriminated against if:

(a) Tied with other than paper twine.

(b) Showing any paint or tar brands (soluble branding fluids permissible).

(c) Showing excessive dung locks or tags.

(d) Discolored by excessive moisture.

(e) Cotted.

(f) Showing a weak staple or break in fiber.

(g) Containing any excess of burrs or other vegetable matter.

(h) Ram fleeces are exhibited in Division I and II.

7. **Preparation of Fleeces:** The fleeces shall be tied with paper fleece twine, flesh side out, in a manner to allow their being handled without falling apart.

8. **Territory and Fleece States:** Wools originating in areas west of the Missouri River from Kansas City north and west of the states of Missouri, Arkansas and Louisiana will be classified as Territory Wools. Wools originating in the farm flock areas to the east will be classified as Fleece Wools.

9. Entries close November 1, 1959.

10. Fleeces must be delivered to the Superintendent of the Wool Show on or before November 27, 1959.

Fleeces in Division I and II will be placed with reference to grade, length and strength of staple, uniformity of grade and yield.

Fleeces in Division III must be from registered sheep. These fleeces will be placed with reference to breed characteristics, uniformity of grade, length and strength of staple and yield.

Grade of the fleece will be determined in accordance with the Official Standards of the United States for the grades of wool.

Each fleece will be identified by an entry tag upon which the exhibitor's number and his name and address will be placed. During the judging, the card will be folded so that the name is covered.

SWINE DEPARTMENT

JUDGE: Bernard Ebbing, Waterloo, Iowa

IMPORTANT

The Identification Letter sent in acknowledgment of receipt of entries must be presented upon entering the International Amphitheatre, ordering feed, and making settlement.

ILLINOIS HEALTH REGULATIONS

OUT-OF STATE SWINE. Must be accompanied by approved interstate health certificate showing: Vaccination with anti-hog cholera serum and virus or modified live virus vaccine more than 21 days before entry into Illinois; or vaccination with Boynton tissue vaccine or crystal violet vaccine not less than 14 days nor more than 6 months before entry into Illinois, provided that swine vaccinated by either of the last two methods were at least 8 weeks old at time of vaccination.

ILLINOIS SWINE. Vaccination with anti-hog cholera serum and virus or modified live virus vaccine more than 21 days prior to exhibition; or, by the serum alone method within 15 days prior to exhibition; or by Boynton tissue vaccine or crystal violet vaccine not less than 14 days or more than 6 months prior to exhibition, provided that pigs treated by either of the last two methods were at least 8 weeks of age at time of vaccination.

If swine are vaccinated by other than a licensed veterinarian, there must be an affidavit of vaccination presented by the owner that he vaccinated the animals, giving date of vaccination.

For information on entry fees and initial bedding charges see Rule 6, Page 11.

RULE 58. **Exhibitors will not be allowed to make more than three entries in any class, and no animals will be given pen room unless properly entered.**

RULE 59. **No exhibitor shall be permitted to win more than two prizes in any one class.**

RULE 60. Animals entered for competition in the single classes may also be shown in the pen exhibits, but only as property of the original exhibitor.

RULE 61. Purebred barrows must be accompanied by certificates, from the Record Association representing the breed, giving the names and record numbers of sires and dams. **Crossbreds**—In this swine show the term "crossbred" shall be interpreted to include barrows resulting from the crossing of two or more breeds. **Grades**—Sired by purebred, registered boars and out of non-registered sows. The breed, name and record number of the sire must be given on the entry card. All barrows must be earmarked to be eligible for competition.

RULE 62. All swine exhibited at owner's risk. The International Live Stock Exposition will not be responsible for any accidents or diseases of any nature.

RULE 63. Eligibility for competition in any class shall be determined by the actual weights of barrows at the time the class is judged. The management reserves the right to weigh any or all barrows shown in competition.

Barrows should be entered in the classes in which they are likely to fall at Exposition time. If upon arrival they weigh into another class, they will automatically be transferred to the proper class.

Signs and placards used in connection with exhibits are not to exceed 22"x28" in size.

(No Barrow farrowed prior to March 1, 1959, will be eligible to compete at the 1959 "International.")

QUALITY PORK CONTEST

JUDGES: J. C. Hillier, Stillwater, Okla.
Lowell E. Walters, Stillwater, Okla.

(An exhibitor is limited to two entries in a class.)

Animals entered in the Carcass classes (44, 45 and 46) must be shown in their respective On Hoof classes (40, 41 and 42).

Barrows for the Carcass Contest must arrive no later than 5 p.m. Wednesday, November 25. They will be officially weighed and tagged on Wednesday, November 25 at 6 p.m. The On Hoof classes will be judged at 9 a.m., Thursday, November 26.

The barrows will be taken to the packing plant and slaughtered immediately following the On-Hoof judging. The carcasses will be sold on a graded bases.

The carcass classes will be judged Monday morning, November 30. The Champion and Reserve Champion carcasses will be returned to the Amphitheatre for exhibition, while the other carcasses will be on display in the packing plant.

Instruction to the Judges:

The judges are instructed to select for:

1. Carcass characteristics indicative of a high proportion of muscling, especially in the more desirable cuts.
2. The most desirable lean meat and fat qualities.

The judges are further instructed to select the top 15 carcasses in each weight group before any carcasses are cut.

Final placings will be made after the left side from each of these carcasses has been cut in a manner which will display further the muscling and meat quality in the shoulder, ham, belly and loin.

RULES AND REGULATIONS

The 1959 Collegiate Livestock Judging Contest will be held Saturday, November 28, 1959, beginning promptly at 8:00 A.M., in the Amphitheatre. All contestants are requested to be at the Amphitheater by 7:30 A.M. A dinner and meeting of the coaches will be held at the LaSalle Hotel, Friday, November 27, at 6:00 P.M., at which time final entries will be made.

TEAMS AND ENTRIES

A team shall consist of five members representing the agricultural colleges in which they are regularly enrolled. All entries must be mailed to William E. Ogilvie, secretary of International Live Stock Exposition, to arrive not later than November 11. A fee of $8.00 a contestant, or a total of $40.00 per team must accompany entry forms. The money received from this source is to be used to help defray expenses of the contest, including Saturday lunch.

ELIGIBILITY OF CONTESTANTS

Each contestant must be a student of a Land Grant College or University in the United States, or of an Agricultural College of corresponding rank in the Dominion of Canada, or of an institution offering a full degree course in agriculture with a full major in animal husbandry, whose application is approved by the management of the International Livestock Exposition.

RULES COVERING ELIGIBILITY OF CONTESTANTS

Any agricultural college undergraduate student representing his institution who has never taken part in any collegiate meat stock judging contest of interstate or international character previous to the year in which the contest is held, may enter. The provision is that he is in attendance as a regularly enrolled student in the institution he represents, has taken one year's work in that institution, has not been away from the institution more than two years at a time after first entering said institution, and who has at no time served in the capacity of animal husbandry instructor in any agricultural college, or has acted as an official judge at a fair.

Exception to Above: Regularly enrolled collegiate students whether war veterans or not, who were members of teams competing in interstate contests in 1942 and who could have met all other requirements for competition in an International contest in 1942 shall be considered eligible for competition in 1959.

Veterans of Military Services not included above shall be considered eligible for competition in 1959 if they meet all requirements stated above, except that pertaining to time away from the institution, and that time requirements shall be waived for war veterans only.

Each institution shall file an authoritative statement covering the eligibility of each of its representatives.

If the eligibility of any student is protested, such protest may be made in writing at the arena side, the day of the contest, before the contest begins. The protest must be accompanied by a check of $25, which will be returned if the protest is sustained. In case the protest is not sustained the $25 shall be forfeited.

SUPERINTENDENT

The superintendent shall have complete charge of the contest. He shall see that all rules and regulations governing the contest are duly carried out and that the contest is conducted with fairness and justice to all concerned. The superintendent shall also decide all questions which may arise in connection with the interpretation of the rules.

JUDGING SYSTEM

A Committee of Judges shall select and place all classes and hear and grade all reasons. The judges shall decide which classes require reasons. If the number of teams entered indicates that additional judges are necessary to expedite and make more efficient the hearing and grading of reasons, the superintendent shall have the authority to appoint such judges.

Time—All contestants will report to the supervisor at the Amphitheater at 7:30 A.M., November 28, when they will receive full instructions and routine in regard to the contest. Each will be assigned a number and will be given an opportunity to ask questions.

No contestant shall wear any uniform, college colors, or shall in any way signify to the judges the identity of the college which he represents.

METHOD OF CONDUCT

No member of any team nor their coach shall be allowed in the barns to inspect livestock at the International Livestock Exposition, prior to the contest. While the contest is in progress there shall be no conferring between contestants or anyone else, except as directed by the supervisor, or his representative. Any violation of this rule will be punished by expulsion of the offender.

Contestants shall be divided by the superintendent into four groups: A, B, C, D, and shall be so designated throughout the contest.

Time Allowed: Contestants will be allowed 18 minutes to place each class of cattle and hogs, and 25 minutes for sheep classes. There will be a three minute time warning.

Each squad shall observe the rings of stock at a distance of twenty-five feet until close inspection is called. For close inspection, squads will be divided into two groups for cattle, with the following time schedule: Breeding classes 6-4-4-4; Steers 4-5-5-4. The squads for sheep shall be divided into four groups for close inspection with the following time schedule: Breeding sheep 4-4-4-4-4-5; market lambs 2-5-5-5-5-3. The first and last figures apply to observation at a distance of twenty-five feet, and the middle figures apply to close inspection.

Reasons: Contestants shall give oral reasons two minutes in length for eight classes, which will include 3 classes of cattle, 2 classes of sheep and three classes of hogs. Contestants will be informed which classes require reasons at the time they are working the classes.

Materials: The superintendent shall supply placing cards and any other necessary forms for conducting the contest. Contestants will be permitted to take notes on reason classes, but will not be allowed to use these notes while giving reasons to the judges.

CLASSES

Twelve classes consisting of four individuals each shall be judged. Five classes of beef cattle, three classes of sheep and four classes of hogs. Cattle and sheep shall be identified by numbers 1, 2, 3, 4 on the arm of an attendant. The animals shall be lined up consecutively in single file numbered 1-4.

DETERMINATION OF RATINGS

Ratings shall be based upon a possible score of fifty points for placing each ring, and fifty points for each set of reasons. Since there are twelve classes to be placed and eight sets of reasons to be given, there will be a possible total score of 1,000 points per contestant.

The final rank of each contestant in each class of livestock shall be determined by the total of his grades on placings and reasons. The individual rank for all classes of livestock shall be determined by adding his total grades for each class of livestock.

The team ranking shall be determined by totaling placings and reason grades of each of the five team members.

In the case of a tie on team ranking, the team so tied that has the highest ranking contestant shall be designated as the winning team.

In case of a tie in individual ranking, the one having the highest reason score shall be declared the winner.

COLLEGIATE MEAT JUDGING CONTEST

The Collegiate Meat Judging Contest, inaugurated in 1926, will again be a feature of the International Live Stock Exposition. The contest will be held on Tuesday, December 1, in the coolers of one of the packers. C. F. Neumann of the National Live Stock and Meat Board, is superintendent.

The contest is open to all agricultural colleges and to any other institution where adequate meat instruction is included as a regular course in the college curriculum. A team shall consist of three students. No college shall be represented by more than one team.

A contestant must be an undergraduate student who never has competed previously in a meat judging contest at the International Live Stock Exposition. It is required that the individual be a regular student at the institution represented, that the individual has had at least one year's work at that institution and has not been away from the institution more than two years at a time after first entering said institution. (This rule pertaining to time away from an institution will be waived in the case of war veterans.) Also that the individual has at no time served as animal husbandry instructor in any agricultural college.

Teams will judge or grade eleven classes of meat as follows:

Two classes of beef carcasses

Two classes of wholesale beef cuts

Two classes of pork carcasses

One class of wholesale pork cuts

Two classes of lamb carcasses

(The above classes for judging will consist of four exhibits each)

One class of (20) beef carcasses for grading

One class of (10) lamb carcasses for grading

Each carcass in the beef carcass grading class must be graded as high, average or low within one of the following U. S. grades: Prime, choice, good, commercial standard, or utility. The lamb carcass grading class will be graded as high, average or low within one of the following U. S. grades: Prime, choice, good, or utility. Both the beef and lamb grading classes will be graded according to present specifications as officially recognized by the U. S. Standardization and Grading Division.

All exhibits will be arranged to allow flow of work. The contestants will be divided into groups of sufficient number to provide a smooth running contest, the individual contestants from each team being placed in different groups. Each group will be assigned to a different class of carcasses or cuts.

Fifteen minutes will be allowed for placing and note taking on the written reason classes. The first two minutes will be devoted to observing the class without handling. A one-minute warning will be given before placing cards are collected. When all classes have been judged, the contestants will go to a comfortable room to prepare written reasons, twelve minutes being allowed per class. The five reason classes will consist of the following: Beef carcasses, beef cuts, pork carcasses, pork cuts and lamb carcasses.

Twelve minutes will be allowed for placing the following four non-reason classes: Beef carcasses, beef cuts, pork carcasses and lamb carcasses.

Twenty-four minutes will be allowed for grading the 20 beef carcasses and twelve minutes for grading the class of 10 lamb carcasses.

The rating of individual contestants and teams will be in the hands of a committee of judges. Selection of the meat for the different classes to be judged also will be in the hands of the judging committee.

The National Live Stock and Meat Board trophy—appropriately engraved—will be awarded to the team making the highest score in the contest. The trophy will be held by the team winning it only until the next contest unless the team is able to win it again. To retain it permanently a team must win it three times. A special plaque appropriately engraved will also be awarded to the winning team as its permanent property by the National Block and Bridle Club.

The Pfizer Awards for Meat Research will be made to the top three schools as follows: $1,000 to the winning school; $500 to the second-place school; $250 to the third place school. These awards, presented by Chas. Pfizer & Co., Inc., are to be used at the discretion of the colleges receiving them for an appropriate meat research activity.

Plaques will be awarded to the highest scoring teams in each division by the following organizations:

Beef judging—American National Livestock Association

Pork judging—National Independent Meat Packers Assn.

Lamb judging—National Wool Growers Association

Beef grading—American Meat Institute

Lamb grading—Colorado-Nebraska Lamb Feeders Assn.

The National Live Stock and Meat Board will award a trophy to the high ranking individual in the contest, and appropriate plaques to the high ranking individuals in the judging of beef, pork and lamb. Similar plaques will be awarded in beef grading and lamb grading.

A wrist watch will be awarded to the high individual in the contest by the Chicago Producers Commission Association, and tie clasps will be awarded to high individuals in the five classifications by the Chicago Live Stock Exchange.

Ribbons will be awarded to the three members of the winning team; the ten high scoring individuals in the contest; and to the five high men in each of the five divisions, beef judging, pork judging, lamb judging, beef grading and lamb grading.

COLLEGIATE CROP JUDGING CONTEST

The International Collegiate Crop Judging Contest, which has been a feature of the International Live Stock Exposition, beginning with 1923, will be held on Saturday, November 28. It is open to agricultural colleges and schools of similar rank and purpose in the United States and Canada.

Three regular members and one alternate selected from students of good standing shall represent an institution.

The contest will consist of three divisions:

(a) Commercial grading of 15 samples including 8 samples of grain, 3 samples of alfalfa hay, 2 samples of cotton grading, and 2 samples of cotton stapling.

(b) Seed judging of 6 four-sample classes selected from the following crops: Alfalfa, red clover, sweet clover, timothy, sorghum, wheat, rye, barley, oats, soybeans, cowpeas, and field beans.

(c) Identification, including (a) common name, and (b) Latin name of 75 specimens of field crops, crop diseases, and weeds.

The coaches will meet at a time specified by the superintendent to check, rearrange, and give final approval to all materials.

General rules, and special rules governing each division of the contest, may be obtained from the superintendent.

The awards include: Team and individual trophies and ribbons provided by the **International Exposition** for meritorious performance in all divisions of the contest and a bronze medal for each contestant; watches for the members of the high team and high individual by the **Elgin National Watch Co.**; team trophies and individual awards by the **Chicago Board of Trade** and **American Seed Trade Association** for winners in the identification, grading and judging divisions of the contest.

The committee in charge of the contest comprises

E. D. Holden, University of Wisconsin, Superintendent

Hugh Delaney, U. S. D. A.

E. H. Floyd, U. S. D. A.

NATIONAL 4-H LIVESTOCK JUDGING CONTEST

The Union Stock Yard & Transit Company, desiring to stimulate interest among the young people in the 4-H Clubs of this country in livestock production, offers a beautiful silver trophy and ribbon to each member of the team making the highest score in judging livestock offered in this contest.

ARMOUR & COMPANY SCHOLARSHIPS

Armour & Company offers three scholarships of $400 each, to be awarded to the three individuals in this contest who are high respectively in judging cattle, sheep and swine. (See details at end of section.)

AMERICAN HEREFORD ASSOCIATION AWARD

American Hereford Association offers a model Hereford bull to the high individual in judging of beef.

NOTICE

An important meeting of the coaches will be held in private dining room 2, Conrad Hilton Hotel, Thursday, November 26, at 7:30 p.m.

RULES AND REGULATIONS

The National 4-H Livestock Judging Contest will be held on Friday, November 27, 1959, in the International Amphitheatre, Union Stock Yards, Chicago, Illinois. Contestants will report to the arena in the Amphitheatre at 8:00 a.m.

Contestants and coaches must receive permission from the Superintendent if they wish to visit the Show previous to the Contest.

ENTRY

Each state is invited to enter one 4-H livestock judging team of three members. Alternates may judge cattle and swine classes only with no reasons taken. Their placings will be scored and totaled but will not be counted in the contest. The team members shall be selected in a manner determined by the State Extension Service. The contestants must be certified by the State 4-H Club Leader, on entry blanks filed with William E. Ogilvie, Secretary-Manager of the International Live Stock Exposition, by November 1, 1959.

An entry fee of $3 will be charged each contestant which sum must be forwarded with the team entry. The money received from this fee is used in defraying expenses of the contest.

CONTESTANTS AND ELIGIBILITY

1. Contestants must have conducted a 4-H Livestock Project during 1959 including Beef, Sheep, or Swine, approved by the Extension Service of their respective States.

2. Each contestant must have passed his or her 14th and not have passed his or her 21st birthday on January 1, 1959

3. College students who matriculated prior to September of the current year, or who have taken work beyond regular high school grades before that date, are not eligible to compete in this contest. This restriction does not apply to those who have attended a short course of 8 weeks or less.

4. Contestants who have participated in a meat animal judging contest of a national character prior to 1959 are not eligible.

5. No contestant shall wear any clothing, pins, or badges that will in any way reveal his identity or that of the state he represents.

6. While the contest is in progress, there shall be no conferring between contestants or between a contestant and anyone else except as directed by the superintendent or his representative.

7. Any contestant violating any rules will be barred from the contest.

SUPERINTENDENT

1. It shall be the duty of the superintendent to see that all rules and regulations of the contest are carried out. He shall decide all questions which may arise in connection with the interpretation of rules governing the contest.

2. He shall have assistant superintendents and helpers to assist him.

3. The superintendent will not take part in rating the contestants.

4. He shall have charge of all records and shall have all ratings tabulated and totaled.

CLERKS AND ASSISTANTS

The clerks, assistants and attendants shall be under the direction of the superintendent and shall carry out his orders; and none of them shall confer with a contestant unless directed by the superintendent.

DETERMINATION OF RATINGS

1. Fifty points shall constitute a perfect mark on placing and fifty points a perfect mark on reasons.

2. When there is a tie between contestants for the breed or for high individual it shall be decided in favor of the contestant having the highest total per cent on reasons on that breed or for the contest. If there is still a tie, it shall be decided in favor of the contestant having the highest total per cent on judging the market classes of stock. If still a tie, then the oldest contestant.

3. Records tabulated and submitted by the superintendent to the Secretary Manager of the International Live Stock Show and announced shall be final.

JUDGES

1. A judge will work with each class of stock.

2. The judges shall place the rings while the contestants are working in the arena. The judges shall enter their placings on a placing card, indicate the cuts to be made and file that card with the superintendent.

3. Contestants will be handed their placing card as they appear before each judging committee to give their reasons. When the contestant has finished, the judges will place the official reason grade upon the contestant's placing card.

TIME

1. Twelve minutes will be allowed contestants to make their placings on rings where no reasons are required.

2. Eighteen minutes will be given contestants on reason classes, to make their observations, make their notes and fill out their placing card.

3. Two minutes will be allowed to give oral reasons to the judges.

RINGS TO BE JUDGED

1. Eight rings of animals will be judged. The contestants will judge three rings of beef cattle (one market and two breeding), three rings of swine (all market), and two rings of sheep (one breeding, or both market, if breeding sheep are not available).

2. Reasons will be taken on four rings (two beef, one swine and one sheep). Contestants are not permitted to use notes while giving reasons.
3. The animals will be designated by numbers 1-2-3-4.

ARMOUR & COMPANY SCHOLARSHIPS

Armour & Company contributes three scholarships, of $400 each, to the National Committee on Boys and Girls Club Work to be awarded to the three individuals in the 4-H Livestock Judging Contest who are high respectively in judging cattle, sheep and swine.

A scholarship should be applied toward a course at a State Agricultural College. In exceptional cases, a scholarship may be applied toward a course at an approved educational institution other than a State Agricultural College, provided: 1. the winner makes such request in writing to the County Extension Agent; 2. the County Extension Agent and State Club Leader recommend favorable action on the request; and, 3. the request is approved by the National Committee on Boys and Girls Club Work.

A scholarship shall be used within a year of the date of the award except where the winner has not completed the necessary non-collegiate school work. In such cases, it is preferred that the scholarship be used the year following graduation from high school. However, special consideration will be given winners who enter military service.

The scholarship will become payable in full when the State Club Leader has submitted evidence that (1) the winner has satisfactorily completed one quarter or semester of collegiate work and (2) that the winner has enrolled in the quarter or semester during which the request is made.

The winner's request for scholarship funds should be made to the County Extension Agent or State Club Leader. The State Club Leader will submit the necessary request and credentials to the National Committee on Boys and Girls Club Work, 59 E. Van Buren Street, Chicago 5, Illinois, which serves as custodian of the scholarship funds for the donor, Armour & Company.

If, for any reason, the winner of a scholarship fails to avail himself of the money involved, said award shall be offered to the first alternate in line.

If a contestant ranks high in more than one class of stock, his scholarship shall be awarded on the class in which he has the highest score. In the case of the same score, then on the class of stock on which he has the highest reason score. In case of the same score, then this order will prevail: 1, cattle; 2, swine; 3, sheep.

CARLOAD DIVISION

Eligibility: RULE 48. Cattle competing in the following classes may have been fed in any part of the world. No restrictions are placed on the places, feeds or methods of the feeder who finished the cattle for the Exposition and the market. However, they must have been fed by an individual or firm, as provided in Rule 7.

Ownership, etc.: RULE 49. Affidavits will be required from exhibitors of cattle in the carload classes, showing that at least twelve of the animals constituting a load were their property for three months prior to the date of entry, while the 60 days' ownership rule prior to the closing date of entry, will apply on the balance.

Program: RULE 50. Carloads of cattle intended for competition in the carload classes must be in place not later than 9 A.M., Thursday, November 26, and must be entered by November 14. The weighing of the carloads will be done after the Sifting Committee finishes passing on the cattle, the carloads to be handled prior to weighing in the same way as cattle that are to be sold on the open market. The judging will be done on Saturday, November 28. The cattle will remain on exhibition until 6:00 P.M., Tuesday, December 1. All animals must be watered between 1:30 and 2 P.M. previous to day of sale; water should be shut off at 2 P.M. and troughs must remain drained until after the sale. There will be no stall or entry fee charged in this division.

Note—Steers entered in the Carlot Division cannot be shown in the individual classes.

S M S RANCH SPECIALS

Swensen Land & Cattle Company, Stamford, Texas, will duplicate all prizes won by S M S cattle in the carlot division, under the following conditions: All cattle in the carlot must be S M S cattle and must be entered as such. A sign, stating that they are S M S cattle, must be placed in a conspicuous place in the pen. It is requested that a photograph be made of any prize winning S M S cattle and the photographer be instructed to mail three prints to Swenson Land & Cattle Company at their expense.

CATTLE FED WITH TRIPLE ACTION DYNAFAC GO ON FULL FEED IN 10 DAYS

at L. R. Rector Cattle Co., Billings, Montana

"We were one of the first to use Dynafac when it came on the market, and we have been using it ever since," reports Kenneth Lucien, partner in the operation. Their feedlot runs about 1150 head of cattle in the summer and 1000 in the winter. There's feed in the bunks all the time.

"We use Dynafac for bloat control," says Kenneth Lucien. "We think that it counteracts bloat." He said that before they started using Dynafac in their rations, they had considerable trouble from bloat, especially in the summer when rations were switched from old to new barley, and in the winter when feed got wet from rain or snow. Now, they report no bloat trouble—they change feeds overnight and cattle keep right on gaining.

Dynafac's triple action works three ways to increase your profit margins: (1) Practically eliminates feedlot bloat and founder; (2) Improves carcass quality and helps upgrade cattle; (3) boosts daily weight gains as much as 10 to 15%, improves feeding effiiency, cuts feed costs. Make sure your next cattle feed order contains Dynafac."

HOW TO PREVENT DISEASE OUTBREAKS

With A Modern Steam Cleaner

Model #7 Oil $399.00

Model G—Gas $259.00

A COMPLETELY NEW PORTABLE OIL-FIRED STEAM CLEANER AT A NEW LOW PRICE

Now you can safely mix Lye, Disinfectants, Soap, etc., with the steam.

Every good hog and poultry producer knows that the threat of a disease outbreak hangs continually over his operation. The greater the number of hogs or poultry the more danger that disease will wipe out a herd or flock and all chance of profit. Now you can make sure your farrowing, brooding and growing facilities are clean and disease-free for a very modest investment.

The Modern Steam Cleaner also cleans tractors, engines, radiators and other farm equipment up to 10 times faster. It's easy, fast, and safe.
